RECORD OF EVENTS.

On the 13th of July, 1862, two sections of the battery were captured at Murfreesboro, Tenn., with the men, and all the accompanying books and papers including the clothing accounts, and were destroyed by the enemy. The accounts of clothing opposite the names on the roll are made out with best of my knowledge from date of enlistment up to the 12th of August, 1862, the time to which the other members of the battery have attested for clothing except those mentioned above without authority. The papers of the battery were in fine shape during engagement with the enemy from Dec. 30/62 to Jan. 3, 1863, before Murfreesboro, Tenn., under command of Lieut. A. A. Ellsworth, the same was captured by the enemy, and killed and 28 horses killed.

1st Lt. A. A. Ellsworth, 2^d Regt. Artillery, having applied for a certificate on which to ground an application for leave of absence, I do hereby certify that I have carefully examined this officer, and find that he is greatly debilitated. The result of a severe attack of Remittent fever he having been unable to fully perform his duties, for the past fifty (50) days. And that in consequence thereof he is, in my opinion unfit for duty.

I further declare my belief that he will not be able to resume his duties in a less period than twenty (20) days, and that change of atmosphere and diet are absolutely necessary to prevent a lengthened illness, and probably permanent disability.

for a certificate on which to ground a leave of absence.
I do certify that I have carefully examined
said officer and find him entirely unfit for
official duties, having labored under a complication
of Chronic Diarrhea and intermittent fever, for the
last month, reducing him to quite an emaciated
condition. In my opinion he will not be able to resume
his duties in a less period than twenty, 20, days, and
I further believe that a change of climate, diet, and
circumstances generally is absolutely necessary to prevent

Sir,

I have the honor to ask
a leave of Absence for Twenty (20) days, that I may go to my
home at Columbia Ky. for the following reasons (viz.) Before
entering the Service (on the 12th of August 1861) I was a merchant in the
county of Adams near Columbia Ky. I left Cash notes and accounts
to the amount of near \$6000 - all unsettled. About \$2000. of said amount
is yet unsettled, and in such condition, that it requires my immediate and
personal attention to secure it, which I do not want to lose, as the most
of my other property has been seized and destroyed by marauding
bands of rebels under Ferguson, Hamilton & others.

I have been in the field, and with my Command since entering the service, have
never applied for a leave. - The following is a report of my Command.

Commissioned Officers present 3.

Enlisted Men " 88 91 aggregate present.

Commissioned Officers on detached duty 2.

Enlisted Men " " " 1

" " " Detached for long 7

" " " " " 1

" " " Absent sick 2 13 aggregate absent.

My Office Address while absent will be Columbia St.
and the sanguine hope that this request may be granted, to enable
me to devote a few days to my private business at home. I am

Yours very Respectfully your Obedt Servant

Secretary to the Board

City of New York
January 1st 1871

Dear Sir
C. M. J. Shreve

Figure 1 is a schematic representation of the experimental design. It shows a sequence of events: a subject is presented with a stimulus (a face), then a response is recorded (a button press), and finally a feedback is provided (a light or sound). The sequence is repeated for multiple trials.
